

NICARAGUA CHRISTIAN SCHOOL COLEGIO CRISTIANO EN NICARAGUA

2016! | David McCrary

What an amazing start for 2016! First, the enrollment has soared to 509 through the 9th grade. All classes are full and some are over the preferred limit. But it is very hard to send away so many applicants who want so very much for their children to have the wonderful education they can get at NCS.

On March 18 we were treated to a parent meeting in the auditorium attended by close to 400 people. What wonderful support they give their children and the school.

20 young ladies spend 2 hours each Saturday learning to sew. We still need about 5 more sewing machines.

2 young preachers are now teaching Bible full-time in the school. They and another preacher are spending many hours every week in personal Bible studies which have resulted in 16 baptisms already this year, mostly of students, parents, and neighbors of the school.

What a wonderful blessing to see the fruit of all the hard work which is going on there.

Due to the extreme growth the last 2 years, we have a large number of students who need sponsors. We greatly need your help in finding people who will sponsor one of the students for \$40 monthly. What a great opportunity to make a positive impact on the life of a child and on their family as well.
