

NICARAGUA CHRISTIAN SCHOOL COLEGIO CRISTIANO EN NICARAGUA

Salem Creek VBS | Ron Harper

For the seventh consecutive year, the Salem Creek church of Christ in Murfreesboro, Tennessee, conducted a "Vacation Bible School" at Nicaragua Christian School. This year thirty-six made the trip. The Bible school, which ran June 20 - 24, set attendance records for this annual effort. The low attendance was 230 on Sunday with the high being 401 on Monday. On Tuesday there were 302; VBS closed on Wednesday with an attendance of 390. The local church and the people at Nicaragua Christian School did a great job of promoting VBS.

This year we also enjoyed a couple of other important opportunities. Along with children from Nicaragua Christian School, our group visited a nursing home in Leon. The residents enjoyed being entertained by the children from the school. It was a blessing to the children and to our group to be able to visit with the residents.

VBS!

We also had the privilege of visiting a school for children with "special needs." Last year we learned of the existence of this school and made plans to visit it this year. Our group donated around fifty coloring books to the school. The children from NCS performed for the children at the "special needs" school and did a tremendous job. Many smiles were brought to the faces of everyone as the children at the school lined up to break open two piñatas provided by NCS. The children at this school are blessed to be given an education by dedicated faculty and staff members who obviously love them. Our hearts were deeply touched by this experience and we are already searching for ways to do more for this school.

We are profoundly grateful to have had the opportunity to serve Christ in Nicaragua. We always pray that what we do in Central America is a blessing to those wonderful people. There is no question that our lives are richly blessed by this wonderful experience.

Recess!

Ladies Day | Janie Harper

For almost a year Sandra Salinas (Director of NCS) and her husband, Armando Delgadillo, who preaches at the church meeting in NCS auditorium, have been planning a Bible seminar for the ladies in the community of NCS.

June 20th was the first Ladies' Day at the NCS. It was a huge success! The date coordinated with the annual VBS that began the next day. Over 350 ladies were present for this event and about 50 children came with them that were taught and entertained by the group from Salem Creek church of Christ. A wonderful snack and lunch were served to all who attended as well.

This year's theme for the Ladies Day was "Virtue". Janie Harper from Murfreesboro, TN and Antonia Castellon from Leon, Nicaragua presented the lessons that day. This outreach in the neighborhood near the school was certainly well received, and plans are being made to make this an annual event.

Sponsorships Available!

Thank you so much for the wonderful support you give to the school by sponsoring a child. The children need your additional help. The photos on the following page represent a few of the student who currently are without sponsors. Please help us find sponsors for each one of them. PLEASE tell your friends and family about this opportunity to make an important impact on the life of a very poor child.

For the cost of only a coke daily (\$40 per month) you can provide a child with an excellent education and an opportunity for a better future, not to mention the everlasting effects of daily Bible study. Additionally each child receives a nutritious meal and vitamins daily plus toothbrushes, glasses, shoes, and clothes if needed and much more.

Where else can you do so much for a child who is so needy for such a small amount of money?

And you are invited to go and visit your child and see what that child is receiving daily at NCS. It is not a very difficult trip and is quite safe.

To get started call Jan Edwards or David McCrary at 888-670-4471 and let them know the name of the student you'd like to sponsor.
