## WONDERFUL BEGINNING TO NCS SCHOOL YEAR

The ministry of Education asked Sandra if NCS would add more students this year. Approximately 25 additional students are now being offered a tremendous education at NCS bringing our enrollment to 588. This also means more sponsors are needed to support the added cost.

The administration is very excited about the support of the parents this year. Their active participation is better than ever.

God is doing wonderful things at NCS - even with the pandemic. Our students are studying the Bible two hours weekly, and it is quite evident in the attitudes and work being done by the graduates. They take pride in the school and the church and spend much time doing things to help both.

Perpetuating the NCS work is very important. The gospel (GOOD NEWS) is being taught every day to receptive students who are carrying it to college with them. One way to carry this out is through a WILL which lets your family know how to disburse your assets. Some people have made NCS their extra child who will share equally when both parents have died.

Under Tennessee law, a will is binding that is written in your handwriting and dated and signed by you. It does not have to be a typed document. Each spouse should have their own will. If you have any questions, please contact us.

Thank you so much for the continuous support you give to NCS. It could not operate without you.

MAY GOD BLESS YOU RICHLY  
David and Brenda
