GRADUATION 2021

We rejoice that Nicaragua Christian School has just completed its fourth graduation exercise. Thirty-six students have successfully completed their high school education. A high percentage of them will be enrolled in university in the coming months.

Like the class of 2020, this class had to deal with the COVID-19 pandemic. These students, their teachers and the school's administration have done an unbelievable job of navigating these difficult times. They have excelled under these challenging conditions.

Our newsletter features several pictures of graduation day. It would be impossible to tell the story in a way that does justice to them. These students wanted to do much more than graduate, they wanted to leave a legacy for the school.

A couple of the pictures in this newsletter are of a new sign that has been erected at the entrance to the school. It was provided by our graduating class who raised all the funds necessary to make this beautiful sign a reality.

We also want to congratulate our alumni who have just recently received their university diplomas. There are two who have achieved that milestone. When university studies resume in February, Nicaragua Christian School will have approximately 140 alumni working toward their degrees.

None of this would be possible without our sponsors. We are deeply grateful for all of you. For forty dollars per month, you can provide a high-quality education for a child who otherwise would not be able to obtain an education. The cost of sending one of our alumni to university is \$125 per month. If you would like to sponsor a student, we would love to hear from you.

SPONSORS NEEDED
 We continue to need sponsors for students. For \$40 per-month or \$480 per-year, you can provide an outstanding education for a child like one of these who, without your help, might not have the chance to go to school.
