## GRADUATION 2022

December 3 was the date for graduation at Nicaragua Christian School. This year's graduating class was the fifth in the school's history. Three board members, David and Brenda McCrary and Ron Harper were able to attend this very special event. They were accompanied by Gary Dodd who works with Sunset Biblical Institute.

This was the first time that any people from the United States were able to be at graduation since 2019. After a two-year absence due to the Covid-19 pandemic, it was a real blessing to be back in Nicaragua. The administration, faculty and staff have done a tremendous job of carrying on this work despite the unusual challenges of the past three years.

This year there were thirty-nine graduates, and all of them plan to attend university. They are to be congratulated for their hard work and this great achievement. In this edition of our newsletter, we will share some information about three of them.
